

PROFESSIONAL EXPERIENCE

DESIGN & PLANNING SENIOR MANAGER

06.2025 - PRESENT **Bunkhouse Hotel Group**

Curating boutique concept-driven hospitality experiences complete with blends of custom and salvaged vintage pieces. The role requires the ability to complete Bunkhouse projects from concept to styling phases and ensuring Hyatt Lifestyle Brand (JDV Hotels) projects are meeting brand standards. Assisting the team in creating expanded room matrix templates, technical standards, construction documentation notes, and collaborating with different departments.

INTERDISCIPLINARY DESIGNER

01.2019 - PRESENT **TMH Design**

Remote freelance work providing a plethora of design resources fulfilling the role of a senior-level designer. Services include UI/UX design, interior design, drafting services, resume creation and professional development consultations.

HOSPITALITY INTERIOR DESIGNER

07.2023 - 06.2025 **Summit Hotel Properties**

Supervised and designed multiple select-service hotel renovation projects with tight budget and deadline confines for major hotel brands like Hyatt, Hilton, IHG, and Marriott. Responsible for major department implementations including getting new equipment, building vendor connections, on-boarding colleagues, creating schematic design presentation, room matrix, and ASI templates.

DESIGN LEAD

01.2021 - 02.2022 **Swivel**

Created digital twins that allowed clients to virtually tour spaces with different architectural and furniture layouts for a start-up focused on reducing environmental and financial impact of staging large-scale commercial office spaces for future tenants. Assisted in kit-of-part and template creation while I simultaneously managed projects with teams of contract workers to reach critical deadlines and company KPI goals

ASSOCIATE INTERIOR DESIGNER

03.2019 - 08.2020 **Handel Architects**

Collaborated with design team to generate luxury interiors for company's high-end multi-family residential projects. Coordinated FF&E, plumbing, lighting, and styling selections with internal team of architects while maintaining budget constraints. Helped initiate health & wellness program to help company maintain employee retention and community involvement.
